B01-BLAIR

Two on a bed.

There are days when ‘double your pleasure’ means just that, and today is one of those days. Love buddies Gen and Dylan are getting together in front of the lens for a run through of a scene they’ll be doing an another day or two. The test started rather tame with just some girl kissing and giggling, but that soon led to deep tongue probing and clothes coming off. Blondie Dylan seem to be taking the initiative before Gen got it in gear and took over. There was an awful lot to do before the toys came out.

Gen: I'm horny

already and we haven’t even begun. I love fucking Dylan, She’s so receptive to everything and that’s a big turn on. She’s one of my favorite girls to play with. I even remember the first time the two of us got together. It was on a naughty America shoot and while I was a little more experienced, Dylan brought a lot of energy and excitement to fuck that I’ve rarely seen in this business. That first time we were outside by a pool and I remember her eating my pussy for such a long time that her back got sunburned.

No, she didn't bring up the pussy-eating sunburn again! Well it is funny – now, but back then I couldn't work the rest of the day and the producer didn't want to pay me, but the rest of the cast got together and convinced him it wasn't my fault. The director told me to keep eating her because I was doing it so good. In reality that was only the second pussy I had ever eaten. The first was two weeks before on one of my first movies. I put down that I'd do lesbian scenes on my profile at my agent's office. Now I had to do it.

I'm ready to go

so can someone please go find Dylan. So while they're looking for her let me tell you one more Dylan story. About two months ago we were shooting for this internet guy who only shoots scenes, no movies. We went to his place in the Marina and found out all he wanted to do was have us kiss. At least on camera. While we were kissing, she slipped her hand down into my panties. She rubbed my clit and fingered my pussy, so of course the kissing got more passionate. He paid well and we left.

Let's get it on

because I can't wait to get fucked by this bitch. Gen, my pussy's already wet so get that tongue over here and start licking. I'm gonna grab some toys for when you're done. Did I mention that my pussy's wet? Then I'm gonna spread your legs and return the favor. I can't wait to taste you so I hope you're ready. I know you want me on my knees so get over here while I spread my ass cheeks for you. Cum lick me and I'll lather up the strap-on because I can't wait to get fucked by you. Let's do it, baby doll.

Classy Aussie.

Sally had an itch that she just had to scratch. She wondered what it would be like to fuck an American. But especially American women. “I think they are the sexiest women on the planet.” she says in that sexy Aussie accent. “I wonder what they taste like? Do they taste the same as Aussie sheilas? I guess I’ll have to find out now that I‘m here.” Can we watch?

INTERVIEW

FEMME FATALE

DANA VESPOLI

I've changed over the years. It first I was a gung ho college student out to change the world. Then the world caught up with me and it led me down this path that I'm now on. And I wouldn't have it any other way.

I just love beautiful girls leaving all their inhibitions behind and having rough, dirty sex.

Fox: We know you're now directing, but before we get to that, can we go back to the future? Back to 2003?

Dana: *Of course. I hope I can remember enough to make you never ask me that again.*

Fox: We understand that you were studying Victorian Literature in college. Why did you not pursue it more out of college.?

Dana: *Well, smarty pants, it was actually Comparative Lit and after a few years of it, I realized there was little I could do with it, except to stay within academic circles. Don't misunderstand, I love the educational scene but it wasn't for me.*

Fox: So you get into porn?

Dana: *Not right out of college. I had a few years to research it and compare it to other professions (chuckles). I decided to start slow but now I'm up to my elbows in it.*

Fox: Did you have good experiences in the adult industry?

DANA VESPOLI

Dana: *For the most part I did. It took a while to understand the business, but once I did, I understood why the bad ones happened. It was more subjective than objective back then.*

Fox: I'd like to think that those were lessons learned now that you're almost all on the other side of the camera. Yes?

Dana: *Of course. For me, I think I show a much greater care for the performers that back then. Especially the women. They've been abused in so many ways. Now, I don't necessarily make "women's movies" but I'm sensitive to the newcomer, to the acts I ask them to do, and for everyone, I try to make the scenes get finished in a reasonable time frame.*

Fox: Does that mean a two-hour booking is finished in two hours?

Dana: *Not always, but I don't let things run on and on. Sometimes you just can't help it, like when there are equipment problems, or the talent shows up waaay late. You know, The unavoidable stuff that happens in this business.*

Fox: Was your transition to director/producer unavoidable, too?

Dana: *Yes, it probably was. There were days, many of them, when I just wanted out. I wanted to quit. It was a love/hate relationship. Then when I stepped back for a while and talked it out, I came back with a whole new attitude, and a new job.*

Fox: Do you like directing?

Dana: *Yeah, I love directing. It's so empowering, but the best part is trying to make man's most basic urge into something more that many people can enjoy. Yeah, I do make some raunchy stuff, have to, but there are times that I think I'm creative and have the means to fulfill it.*

DANA VESPOLI

Fox: Do you still perform?

Dana: *Yeah, here and there. Although I'm doing less and less of it. There are waaay to many good looking, and willing, people in the business now and it's their time to be in the spotlight.*

Fox: Do you give new guys a shot*?*

Dana: *I wish I could give every dude that come through my office door a shot, but that's a business impossibility. Obviously it's not the same for newbie women. It's a pussy driven business.*

Fox: The future is at hand. How are you playing yours?

Dana: *Carefully. Technology has monopolized this business. I spend waaay too much time on social media and sites like that than I should. But that is the world we try to make a living in.*

Fox: Do you have a personal life?

Dana: *Yes I do. Or try to. Anyway, it's nothing I want to discuss here. Wanna go for cappuccino?*

LORI ALEXA

I'm a babe in toyland.

I have long standing relationships with my favorite dildos and vibrators. I can't even remember how many times they've pleasured my tight pussy. And how many times they've been in my lovers' pussy. It's been three years now that my gf gave them to me to help spend the lonely nights that my man was away. Little does he know they've replaced him.

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

My friends call me Alfie, but my real name is Alfred. Yuck! Anyway, I'm about 24 years old, and I live in a 1960's era ranch house just outside of Columbus, Ohio. Now that that's out of the way, I'm writing to tell you about a lady who worked in our office. Her name is Alicia and she came to the company from a temp agency as our busy season approached. I work in a tax accounting firm and beginning the first of the year until May is, of course, our busiest season. Her first day was probably a whirlwind for her.

When I first saw her, she was being escorted around the office by the manager who seemed to be having a great time of it. As for me, I just couldn't take my eyes off her huge boobs, but the most attractive part of her body was her beautiful, tight ass. I would look at that sweet ass swaying from left to right when she would walk by me.

On her second day, I found out that I was to work with her with her first two weeks, and then she'd move over to another account manager. We did our thing at the office and in between the tax lingo, I learned she was lonely at home with her husband being away a lot and she took the job to fill her days, but her nights were still pretty empty. Not one to try to take advantage, I played the detached-but-interested card when we weren't talking about business.

At the end of her first week, she came into work on Friday obviously upset and a bit under-dressed, for her. I asked if she was okay and she said she was, but she was not. I let it ride like that until lunch time, when I asked if she wanted to have lunch and talk bout her 'troubles.' At first she declined but I said that it might make her feel better, and make her afternoon go better. She agreed, and when lunch time came around we headed for a snack shop and settled in.

Alicia told me many things about her life – that she was not happy with her husband, a good-for-nothing lazy-ass. I lent a sympathetic ear for the entire hour and I think he appreciated it. From that day forward she became more friendly to me and shared more of her secrets and experiences. Tired of listening, I couldn't take it anymore so on Thursday I decided to make a plan to 'seduce' her.

We were working late that night – the only ones left in the office. I purposely went inside our IT's server room on the pretense that one of the servers went down. I called her to

help me remove some of the old hardware and replace it. When she came in, I took her hand and pushed her to the wall and started kissing her. At first she mildly resisted but quickly she hugged me tightly and started kissing me like a wild woman. I put my hands inside her blouse and started fondling her breasts. A moment later she took off her blouse and bra and I took it as a message to suck her boobs. I started by licking her nipples which were now erect, swirling my tongue around them, and kneading them with my fingers.

I turned her around and pushed her chest against the cold wall. I pushed gently into her so she could feel my hard cock against her tight ass. What a feeling it was for me as she reached behind her and felt my hardness. She caught hold of my cock and started rubbing it over my jeans. She turned around and made me put my back to the wall and dropped to her knees and unzipped my jeans, found my cock through my boxers and she started sucking my cock very hard. I told her that I was about to cum, so she started sucking me harder. I blasted my juices into her mouth and she swallowed it all happily without leaving out a single drop. I told her we should get out of there, but she squeezed my cock and asked "What about me?"

I told her that if she was alone at home tonight, I'd love to make her cum, as many times as she wanted. She smiled, kissed me and said she would come to my place because she was not going to have another man in her marital bed. I said that was fine with me and we agreed she'd come by at

nine. When she got to my place, we wasted no time. I told her to sit on the sofa, pushed back her skirt and started sucking her pussy over her panties. She was moaning loudly. Then I pulled aside her panty and saw her pussy was clean shaven, so I started sucking and fingering her deeply. She started trembling on the sofa and finally came all over my mouth and fingers, soaking them in her love juice. She stood up on wobbly legs and told me to take her to the bedroom. She took out my ragingly hard dick and pulled me in the direction I pointed.

We stripped each other of all our clothes fell onto the bed. I mounted her and gave a hard push inside her pussy as she moaned loudly.

I kissed her passionately to stop her from moaning and started fucking her. We fucked for twenty minutes and when I was about to cum she told me to cum inside her mouth.

She pulled me out of her pussy and took me in her mouth. Her hand maneuvered deftly up and down my shaft, almost feeling better than her pussy. She squeezed and stroked and after a few blissful moments of oral sex, I was about to explode. No, I did explode and she tightened her lips around the middle of my cock and took it all in.

After she licked the overflow from her lips, we laid back and stared at the ceiling. I was in aprés-orgasmic bliss and she was picking at her long sculptured nails. I turned to her and asked if all was okay and she nodded 'yes.' Then she said we should shower. She loved making out under the spray, she said. We moved to the bathroom. I had a nice rain-head shower with plenty of room for two naked people. We jumped in and soaped up each other.

I massaged her breasts while the water softly washed it away. She lathered up my cock and balls and gave me a sensual hand job as we kissed and the water flowed down between us. I turned her around and rubbed her pussy and ass with the soap, then watched it run

down between her ass cheeks until it ran clear. That's when I went town and started licking her ass hole. My tongue worked all around her light brown star, stabbing into it now and then on it's way around her butt. I'd slip the tip of a finger in until I felt her hole relax and then push it in a bit deeper. She reached between her legs and rubbed her clit until she had another screaming orgasm.

A few days later she was done with her temp job at the office. I helped her carry her things out to her car. We've stayed friends and still hook up a couple times a month. I'm very happy for lonely wives.

The boss' car was very dirty so he enlisted our two interns to wash it for him. There was a hundred dollars each in it for them. As the afternoon wore on, the clothes they wore came off. Wet slithering bodies that couldn't care less about the car, soon found themselves in happy playtime with the hose, buckets and their tongues. It didn't take long before the hundred dollars (each) was ignored as attention was given to pussies and boobies for the sake of pleasure. Unknown to them, the boss was taking pictures and making movies. They got their hundred – each.
